

Instituto Medico San Nicolas (IMSAN) is pleased to invite all interested parties to take part in the IMSAN Expansion and Renovation construction project of its healthcare facility on the island of Aruba.

Summary Project Description:

The project consists on the expansion and renovation of the existing building where IMSAN is situated at Pastoor Hendrikstraat 10, San Nicolas, Aruba. The approximate size of the expansion and renovation will be 688 m² of new construction and 7,571m² renovation of the existing facility.

The scope of work comprises (but is not limited to) the following:

- a. Radiation Oncology Center development, including its shielded bunker
- b. Ambulatory Surgery Center completion and renovations
- c. Pharmacy and Sterilization area renovations
- d. Imaging, and Phlebotomy area renovations
- e. Eye Center area renovations
- f. Lobby area renovations
- g. New elevator and stairwell installation
- h. New CEP (Central Energy Plant) installation & relocation of the dialysis pump room
- i. Emergency Department (“ED”) area and ED entrance renovations
- j. Bio-Medical workshop/storage room and office area renovations
- k. Two Peritoneal Dialysis (PD) rooms and two administrative offices renovations

Project Working Duration: Estimated 18 Months

Tender documents containing the tendering procedures, evaluation criteria, construction contract, project plans and specifications, and other relevant details will be available to interested General Contractors during the week of October 30, 2017.

In order to participate, you must officially register your interest for participation. To do so, you must send an email by no later than November 15, 2017, expressing interest on behalf of your company to imsanexpansion@symxcorp.com. The “subject” of your email should be: “IMSAN EXPANSION AND RENOVATION PROJECT – REGISTRATION”. Include your contact information (to include your full name, title, and telephone number), the name of your construction firm, and the complete street address (including country) of your company’s location. Within 48 hours of receiving this official registration of interest email, an email response will be sent to you with further details for participation.

Once properly registered in our tender system, you will be kept apprised regarding the availability of tender documentations for your download.
